
Whaleden

Modern Comic Publishing

for Brands, Campaigns & Storytellers

WEB2 PARTNER PITCH

What is Whaleden?

Whaleden helps brands tell **unforgettable stories** — with smart, visual narratives powered by AI, premium illustration, and community reach.

Instant Impact

Visually rich stories that cut through the noise

Effortless Collaboration

You bring the idea, we bring it to life

Reach New Audiences

Speak to digital-native, story-loving communities

Why Comics Work

In a saturated digital world, **comics break through**

Eye-catching visuals

Comics use powerful imagery that immediately grabs attention in a crowded digital landscape

Emotionally resonant narratives

Stories that connect on a deeper level with your audience

Easily adapted

Flexible format for web, socials, print & events

Perfect for product launches, anniversaries, internal culture, or brand storytelling that actually connects.

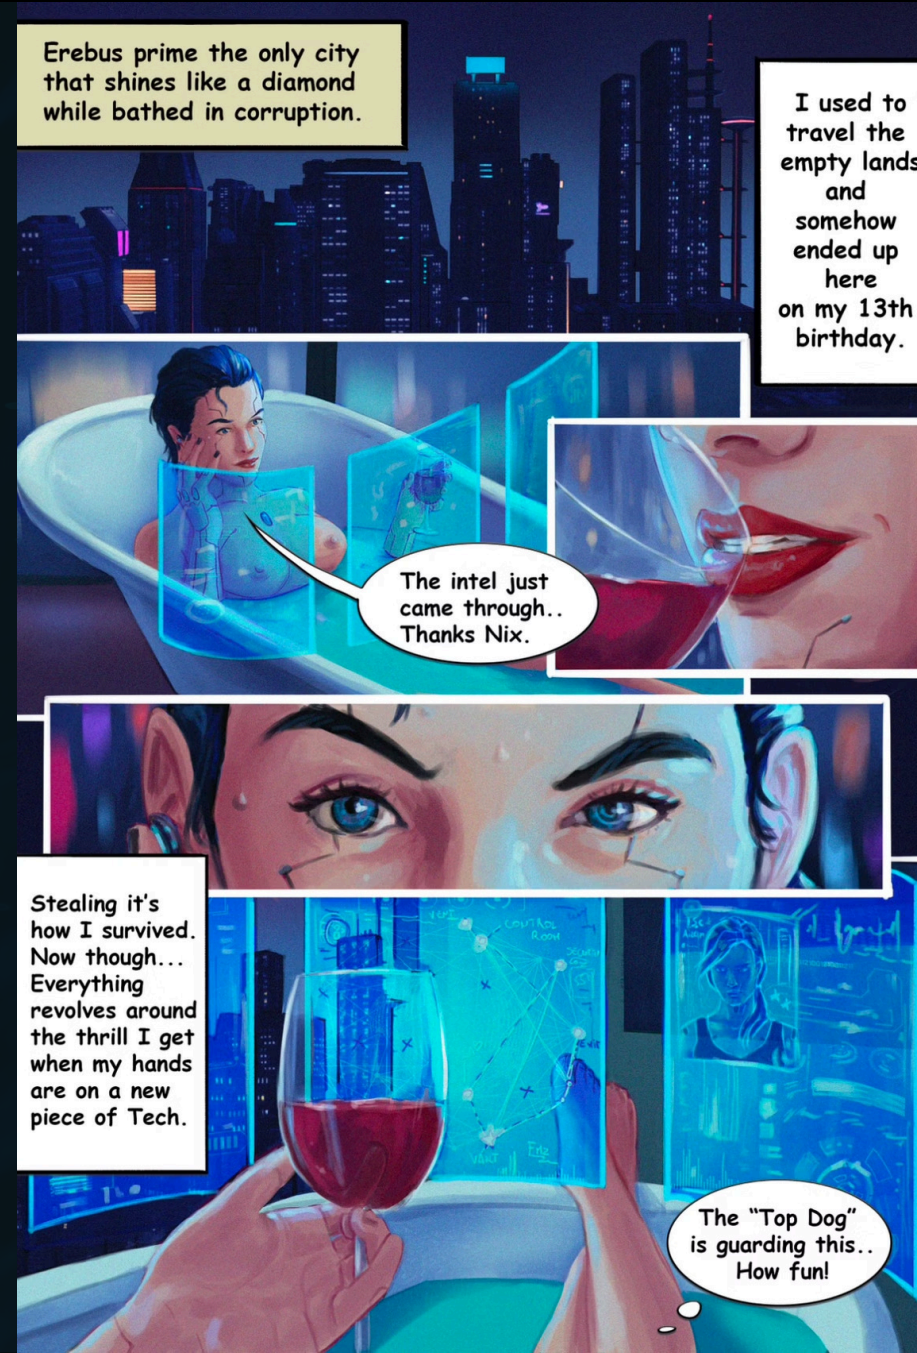

Erebus prime the only city that shines like a diamond while bathed in corruption.

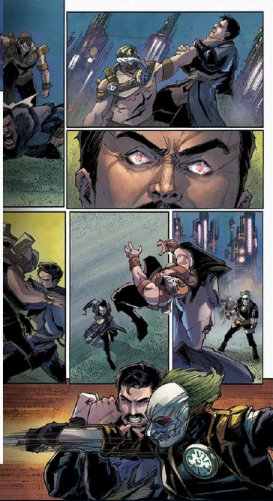

I used to travel the empty lands and somehow ended up here on my 13th birthday.

The intel just came through.. Thanks Nix.

Stealing it's how I survived. Now though... Everything revolves around the thrill I get when my hands are on a new piece of Tech.

The "Top Dog" is guarding this.. How fun!

Comic Pitch

Your Gateway to a Comic Book

Creating a comic with Whaleden is **simple, powerful and fun.**

- 3 fully illustrated pages
- Attention-grabbing cover
- Clear story outline
- **Community Validation** – Let your audience vote and validate before full production

Save budget, reduce creative risk, and test what resonates.

Distribution & ROI

Comics aren't just content—**they're assets.**

Campaigns & launches

Drive engagement with visual storytelling

Internal communications
